

Lancashire Lads & Lasses

LACR Young Ringers

Congratulations to the Lancashire Lads and Lasses band who completed the first ever 3Ls quarter peal at Preston Minster on Friday 3rd January 2020. The quarter was organized by the young ringers themselves and conducted by Jayden Milby, a ringer from St Mary's Church in Dalton-in-Furness, in what was his second ever quarter! This is believed to be the youngest ever average age for a quarter for the LACR.

Rung to welcome 2020.

First Quarter Peal as Conductor.

Average age of the band is 14.8 years.

This success followed on from the 3Ls Conducting Day held at St Thomas' Church in Milnthorpe on the 15th December 2019. This training helped to give the young ringers the confidence that they could successfully complete a quarter peal together.

Thank you to everyone who has helped and supported the 3Ls in the run up to this fantastic achievement.
